MEMORANDUM

TO: Boston Redevelopment Authority

FROM: Edward J. Logue, Development Administrator

SUBJECT: CONVEYANCE OF TAX TITLE PROPERTY FOR REHABILITATED  
RELOCATION HOUSING

As you know, Chapter 314 of the Acts of 1961 authorizes the Real Property Board to transfer foreclosed tax title property to the Authority without consideration.

I propose that the provisions of this Chapter be utilized to effect the transfer to the Boston Redevelopment Authority of the attached list of 35 foreclosed tax title residential properties, containing 89 dwelling units. All of the properties are located outside of the Urban Renewal Project Areas.

Each of these properties, individually or in groups, would be sold by the Redevelopment Authority to the Boston Housing Authority, non-profit sponsors, limited dividend corporations, or private redevelopers. The choice of redevelopers and the sale price of each property or group of properties would be based upon proposals received from qualified redevelopers.

Disposition agreements would require the redeveloper to renovate the properties in accordance with Boston Redevelopment Authority standards and specifications, to meet a reasonable timetable, and to a rental schedule for a specified period of time.

An appropriate vote is attached.
